Florida FFA offers a comprehensive leadership continuum designed to enhance student, chapter, and community development. Each conference curriculum is designed to build upon the previous conference in order to continue the leadership development process. We are pleased to offer online registration for all leadership conferences. Each conference attendee, including adults, must be registered online to guarantee attendance. Following registration, parent permission forms must be completed and turned in upon arrival. These forms must be signed, notarized, and presented with payment onsite at the event. **Conference attendees will not be allowed to participate if permission form and payment are not received by the start of the conference. Don't delay as registration is scheduled to close on November 21st. (or sooner if conference reaches capacity).**

ADVISOR ATTENDANCE POLICY

Florida FFA maintains a strict policy regarding advisor attendance at all events. Our policy requires that the FFA Advisor or a school district approved chaperone be present at each event. In the event that anyone other than the FFA Advisor attends in place of the advisor, a letter of approval must be obtained from the school principal and should be presented at the time of arrival.
