

SAE AGREEMENT

Florida FFA Association

STUDENT NAME

The SAE Program is an integral part of the total agricultural education program. The purpose of the SAE is to provide for real-world experiences to help the student select a career, secure employment or prepare for further education. A quality SAE program contains a variety of experiences.

The student's SAE program will consist of: (List all the activities in which the student will be involved. Be specific. Examples: Shadow a local business leader for a day, develop a marketing plan for an agricultural commodity, observe and/or assist a florist, cut firewood with a chain saw, raise a 20' by 20' garden, work two hours a week at an agricultural supply store, landscape the home lawn.)

SAE DESCRIPTION

The student's SAE program will consist of: (List all the activities in which the student will be involved. Be specific. Examples: Shadow a local business leader for a day, develop a marketing plan for an agricultural commodity, observe and/or assist a florist, cut firewood with a chain saw, raise a 20' by 20' garden, work 2 hours a week at an agricultural supply store, landscape the home lawn.)

MATERIALS AND RESOURCES

For activities in which a profit (or loss) might occur, describe who will receive the gain (or loss) or how it will be divided:
