MIDDLE SCHOOL EXTEMPORANEOUS PUBLIC SPEAKING CDE

PURPOSE
The Extemporaneous Public Speaking Career Development Event is designed to develop the ability of seventh and eighth grade FFA members to express themselves on a given subject without having prepared or rehearsed its content in advance, therefore causing FFA members to formulate their remarks for presentation in a very limited amount of time.

ELIGIBILITY
The participant must be an active member of a chartered Florida FFA Chapter and enrolled in grades 6, 7, or 8. Participant can not participate in both Extemporaneous Public Speaking and Prepared Public Speaking CDEs.

EVENT PROCEDURES
1. A list of all possible topics will be given to and reviewed by the judges prior to the beginning of the event.
2. At each level a contest coordinator and three judges will be in charge of this event with the State FFA Association providing contest materials.
3. Cell phones will not be permitted as a time keeping device.

EVENT SCHEDULE
The contest will be held in three rounds: sub-district, district and state level competitions. Each chapter may enter one participant at the sub-district level with each sub-district forwarding their winners on to the district contest. The 12 district winners are then eligible to compete in the state contest.

STATE FINALS
The state level competition will include two preliminary flights. The top three (3) from each flight will move on to the finals. Contestants shall draw for places on the program. The program chairman shall then introduce each contestant by name and in order of the drawing.

EVENT PRACTICUMS

PERFORMANCE PRACTICUM

SPEECH PREPARATION & PRESENTATION
1. The selection of topics shall be held 30 minutes before the event. The participants will draw three specific topics, selected at random from one pool of 12, relating to the industry of agriculture. After selecting the topic they desire to speak on, all three topics will be returned for the next drawing. Twelve topics shall be prepared by the event superintendent from the following categories: a) agriscience and technology; b) agrimarketing and international agricultural relations; c) food and fiber systems; d) urban agriculture and e) FFA related issues.
2. Participants will be admitted to the preparation room at 15 minute intervals and given exactly 30 minutes for topic selection and preparation.
3. The officials in charge of the event on the following basis will screen reference material:
   - must be limited to five items.
   - must be printed material such as books or magazines and/or a compilation of collected materials. To be counted as one item, a notebook or folder of collected materials may contain NO more than 100 single sided pages or 50 pages double sided numbered consecutively (cannot be notes or speeches prepared by the participant or notes prepared by another person for the purpose of use in this event). (Copies must reference the origination point).
4. Each speech shall be the result of the participant’s own effort using approved reference material, which the participant may bring to the preparation room. No other assistance may be provided. Participants must use the uniform note cards provided. Any notes for speaking must be made during the 30 minute preparation period.
5. Each speech shall be at least three nor more than five minutes in length with five minutes additional time allowed for questions, which shall be asked by the judges. The program chairman of the event shall introduce the participant by name and chapter, and the participant may introduce his or her speech by title only. Time commences when the speaker begins talking. Speakers may use a watch to keep a record of their time. No time warnings will be given by event officials or observers.
6. A participant will be permitted to use notes while speaking, but deductions in scoring may be made for this practice if it detracts from the effectiveness of the presentation. Applause shall be withheld until all participants have spoken.
7. A timekeeper shall be designated who will record the time by each participant in delivering his or her speech, noting undertime and overtime, if any, for which deductions will be made.
8. At the time of the event, the judges will be seated in different sections of the room in which the event is held. They will score each participant on the delivery of the production, using the score sheet provided.
9. Each judge shall formulate and ask questions. Questions
shall pertain directly to the speaker’s subject. Questions containing two or more parts should be avoided. Judges will score each participant on the ability to answer all questions asked by all judges. The full five minutes should be used.
